

Since first introduced the **COLOR MATCH 66** series has been one of the greatest innovations for car dealers and detailers. The painted surface is the first thing a consumer sees when looking at a vehicle. The quality and durability of the finish is a reflection of the quality and durability of the vehicle itself. **COLOR MATCH 66** products are formulated to meet the wide-ranging requirements from elegant detailers to new and used car dealers to high speed production shops. Each **COLOR MATCH 66** product is performance matched to the correct **EDGE** pad to help achieve the optimum performance. The **COLOR MATCH 66** system is designed to enable the user to have the perfect finish with virtually no material waste and a minimal amount of cost and labor.

COLOR MATCH 66 - THE PERFECT ROUTE TO THE PERFECT FINISH!

DISTINCTIVE DETAILS RECOMMENDS:

3307 ORANGE AID *
Extremely aggressive compound for removing heavy scratches and oxidation from conventional paint. ORANGE AID provides a superior cut. Use care when buffing bc/cc finishes.

* Contains no wax or silicone.

3308 BLACK MAX *
Multi-sized abrasives remove 1200 - 1500 grit sanding scratches from all painted surfaces. BLACK MAX provides a superior cut while leaving a swirl free finish.

* Contains no wax or silicone.

3309 CHAMPION *
Pre-cleaner and compound developed for bc/cc finishes. CHAMPION provides a great cutting and cleaning action with little or no cleanup.

* Contains no wax or silicone.

3310 DOUBLE DUTY
1-step superior cut combined with a high-gloss finish. DOUBLE DUTY completely removes sand scratches and swirls without filling. DOUBLE DUTY leaves little or no residue.

3311 SPARKLE
As a foam pad glaze or with a wool polishing pad SPARKLE produces a high gloss, swirl free finish with long lasting protection. SPARKLE removes swirl marks without filling and can be machine or hand applied.

3315 ELEGANCE
For the paint finish that needs to look and feel elegantly smooth. ELEGANCE is used to refine the paint finish to achieve or restore full gloss. ELEGANCE can be machine or hand applied.
